If exercised, the provisions of the Option Letter and supporting documentation shall become part of and be incorporated into this Contract for the total duration of this Contract.

Amendments in the course of CWCB business will be processed at no additional charge to the Borrower.
- B. The amount charged shall be in accordance with the service fee rate structure set forth in the CWCB Loan Service Charge Policy in effect at the time the Borrower shall request an amendment. The current service fee for an amendment is \$1,000.
- C. The Borrower shall remit the service fee to the CWCB prior to initiation of the amendment. Any service fee remitted to the CWCB cannot be refunded.

9. PROMISSORY NOTE PROVISIONS

The Promissory Note shall identify the Total Loan Amount. The CWCB agrees to loan to the Borrower an amount not to exceed the Total Loan Amount and the Borrower agrees to repay the loan in accordance with the terms as set forth in the Promissory Note, (attached as Appendix 3) and incorporated herein.

10. INTEREST PRIOR TO PROJECT COMPLETION

For all loan funds disbursed by the CWCB to the Borrower prior to the Contract Project Performance End Date, interest shall accrue on the disbursed funds at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to the Project's substantial completion (as determined by the CWCB) and notify the Borrower of such amount. The Borrower shall repay that amount to the CWCB either (1) within thirty (30) days from the date of notification from the CWCB, (2) at the CWCB's discretion, said interest shall

be deducted from the final disbursement of loan funds that the CWCB makes to the Borrower, or (3) at the CWCB's discretion, said interest shall be rolled into the Total Loan Amount due.

11. RETURN OF UNUSED LOAN FUNDS

Any loan funds disbursed but not expended for the Project in accordance with the terms of this Contract shall be remitted to the CWCB within thirty (30) calendar days from notification from the CWCB of either (1) completion of the Project or (2) determination by the CWCB that the Project will not be completed. Any such loan funds so remitted to CWCB shall be applied to the principal payment of amounts due on the Loan.

12. BORROWER'S AUTHORITY TO CONTRACT

The BORROWER warrants that it has full power and authority to enter into this Contract. The execution and delivery of this Contract and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the Borrower. The Borrower's Authorizing Resolution is attached as Appendix 4 and incorporated herein.

13. BOND COUNSEL'S OPINION LETTER

Prior to the final execution of this Contract the Borrower shall submit to the CWCB a letter from its bond counsel stating that it is the attorney's opinion that:

- A. The Contract has been duly executed by officers of the Borrower who are duly elected or appointed and are authorized to execute the Contract and to bind the Borrower; and
- B. The resolutions of the Borrower authorizing the execution and delivery of the Contract were duly adopted by the governing bodies of the Borrower; and
- C. There are no provisions in the Borrower's articles of incorporation or bylaws or any state or local law that prevent this Contract from binding the Borrower; and
- D. The Contract will be valid and binding against the Borrower if entered into by the CWCB subject to typical limitations related to bankruptcy, police power and creditor's rights generally.

14. PLEDGE OF REVENUES

The Borrower irrevocably (but not exclusively) pledges to the CWCB, for the purpose of repaying the Total Loan Amount, the Pledged Revenues, in such amount as is necessary to make each annual payment due under this Contract. Such pledge of the Pledged Revenues is on parity with the debt identified in §5., of Appendix 1 (Schedule of Existing Debt) and any additional indebtedness that may be secured by the Pledged Revenues in the future that is incurred in accordance with §14.E., hereof, and together with the Existing Parity Debt, shall be the Borrower's "Parity Indebtedness."

- A. **Segregation of Pledged Revenues.** The Pledged Revenues shall be accounted for and maintained in an account separate from other Borrower revenues at all times. The Pledged Revenues shall be used first to pay debt service on the Total Loan Amount and all other Parity Indebtedness on an equal basis and thereafter may be used for any and all other expenses.
- B. **Establish Security Interest.** The Borrower has duly executed a Security Agreement, (attached as Appendix 5) and incorporated herein, to provide a security interest to the CWCB in the Pledged Revenues. The lien of this Contract on the Pledged Revenues shall have priority over all other competing claims with respect to the Pledged Revenues, except for the parity lien on the Pledged Revenues of any Parity Indebtedness.

- C. **Assessment Covenant.** Pursuant to its statutory authority and as permitted by law, the Borrower shall take all necessary actions consistent therewith during the term of this Contract to establish, levy and collect rates, charges and fees as described in Appendix 5, in amounts sufficient to pay this loan as required by the terms of this Contract and the Promissory Note, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves.
- D. **Debt Service Reserve Account or Fund.** To establish and maintain the debt service reserve account or fund, the Borrower shall deposit an amount equal to one-tenth of an annual payment into its debt service reserve account or fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the Borrower applies funds from this account to repayment of the loan, the Borrower shall replenish the account within 90 days of withdrawal of the funds. The debt service reserve account or fund requirement is in effect until the loan is paid in full.
- E. **Additional Debts or Bonds.** The Borrower shall not issue any indebtedness payable from the Pledged Revenues and having a lien thereon which is superior to the lien of this loan. The Borrower may increase the indebtedness on the 2017 bond up to \$5 M without prior written approval of CWCB. The Borrower may issue parity debt other than as stated herein only with the prior written approval of CWCB, provided that:
- i. The Borrower is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this Contract, including, but not limited to, being current on the annual payments due under this Contract and in the accumulation of all amounts then required to be accumulated in the Borrower's debt service reserve fund;
 - ii. The Borrower provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the Borrower's revenues, for 12 consecutive months out of the 18 months immediately preceding the date of issuance of such parity debt, the Borrower's revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the pledged revenues, including this loan, the annual debt service on the proposed indebtedness to be issued, and all required deposits to any reserve funds required by this Contract or by the lender(s) of any indebtedness having a lien on the pledged revenues. The analysis of revenues shall be based on the Borrower's current rate structure or the rate structure most recently adopted. No more than 10% of total revenues may originate from tap and/or connection fees;
 - iii. The Borrower acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB prior to the issuance of any additional debt.
- F. **Annual Statement of Debt Coverage.** Each year during the term of this Contract, the Borrower shall promptly submit, to CWCB, a copy of the annual audit report of an audit performed on Borrower's records that relates to this Contract or the Project.
- G. **Pledged Revenues During Loan Repayment.** The Borrower shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Revenues, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.

15. RELEASE AFTER LOAN IS REPAID

Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Pledged Revenues.

16. WARRANTIES

- A. The Borrower warrants that, by acceptance of the loan under this Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this Contract.
- B. The Borrower warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Borrower, to solicit or secure this Contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this Contract.
- C. The Borrower warrants that the Pledged Revenues for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for the Existing Parity Loans which sets forth the position of the lien created by this Contract in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the Project Summary and incorporated herein.

17. OPERATION OF PROJECT

The Borrower shall, without expense or legal liability to the CWCB, manage, operate, and maintain the Project continuously in an efficient and economical manner.

18. DISPUTE RESOLUTION

A. Initial Resolution

Except as herein specifically provided otherwise, disputes concerning the performance of this Contract which cannot be resolved by the designated Contract representatives shall be referred in writing to a senior departmental management staff member designated by the State and a senior manager designated by Borrower for resolution.

B. Resolution of Controversies

i. Resolution of Controversies other than Loan Default

For any dispute not involving Borrower's default on the Loan, if the initial resolution described in §18.A., fails to resolve the dispute within 60 Business Days, Borrower shall submit any alleged breach of this Contract by the State to the Procurement Official of the Colorado Department of Natural Resources as described in §24-101-301(30), C.R.S. for resolution in accordance with the provisions of §§24-106-109, 24-109-101.1, 24-109-101.5, 24-109-106, 24-109-107, 24-109-201 through 24-109-206, and 24-109-501 through 24-109-505, C.R.S., (the "Resolution Statutes"), except that if Borrower wishes to challenge any decision rendered by the Procurement Official, Borrower's challenge shall be an appeal to the executive director of the Department of Personnel and Administration, or their delegate, under the Resolution Statutes before Borrower pursues any further action as permitted by such statutes. Except as otherwise stated in

this Section, all requirements of the Resolution Statutes shall apply including, without limitation, time limitations, regardless of whether this Contract is subject to the Colorado Procurement Code.

ii. Resolution of Controversies Not Regarding Loan Default

For any dispute not involving Borrower's default on the Loan, if the initial resolution described in §18.A., fails to resolve the dispute within 60 Business Days, the CWCB will submit the dispute to the board for review, who will determine a resolution to the dispute.

19. REMEDIES

A. State's Remedies

i. Loan Default Remedies

Upon default in the payments to be made by the Borrower under this Contract, or default in the performance of any covenant or agreement contained herein, the CWCB, at its option, may do any of the following:

- a. Suspend this Contract and withhold further loan disbursements pending corrective action by the Borrower and if the Borrower does not cure the default as provided for below, permanently cease loan disbursements and deem the Project substantially complete.
- b. Declare the entire principal amount, accrued interest, and late charges, if any, then outstanding immediately due and payable.
- c. Exercise its rights under any appendices to this Contract, including, but not limited to, the Promissory Note, Security Agreement, and/or any instrument securing pledged revenues.
- d. Take any other action deemed appropriate by the CWCB.

The CWCB shall provide written notice to the Borrower of any such default and shall give the Borrower an opportunity to cure within sixty (60) days of receipt of such notice. All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this Contract at its option without regard to prior waivers of previous defaults by the Borrower, through judicial proceedings to require specific performance of this Contract, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this Contract and the laws and regulations under which this Contract is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the Borrower of any of its duties and obligations under this Contract.

B. Borrower's Remedies

If the State is in breach of any provision of this Contract and does not cure such breach, Borrower, following the notice and cure period in §22.B., and the dispute resolution process in §18., shall have all remedies available at law and equity.

20. INSURANCE

Borrower shall maintain at all times during the term of this Loan Contract such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S. (the "GIA"). Borrower shall ensure that any Subcontractors maintain all insurance customary for the completion of the Work done by that Subcontractor and as required by the State or the GIA.

21. CONFLICTS OF INTEREST

A. Actual Conflicts of Interest

Borrower shall not engage in any business or activities, or maintain any relationships that conflict in any way with the full performance of the obligations of Borrower under this Contract. Such a conflict of interest would arise when a Borrower or Subcontractor's employee, officer or agent were to offer or provide any tangible personal benefit to an employee of the State, or any member of his or her immediate family or his or her partner, related to the award of, entry into or management or oversight of this Contract.

B. Apparent Conflicts of Interest

Borrower acknowledges that, with respect to this Contract, even the appearance of a conflict of interest shall be harmful to the State's interests. Absent the State's prior written approval, Borrower shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Borrower's obligations under this Contract.

C. Disclosure to the State

If a conflict or the appearance of a conflict arises, or if Borrower is uncertain whether a conflict or the appearance of a conflict has arisen, Borrower shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the actual or apparent conflict constitutes a breach of this Contract.

22. BREACH

A. Defined

The failure of a Party to perform any of its obligations in accordance with this Contract, in whole or in part or in a timely or satisfactory manner, shall be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Borrower, or the appointment of a receiver or similar officer for Borrower or any of its property, which is not vacated or fully stayed within 30 days after the institution of such proceeding, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, the aggrieved Party shall give written notice of breach to the other Party. If the notified Party does not cure the breach, at its sole expense, within 30 days after the delivery of written notice, the Party may exercise any of the remedies as described in §19., for that Party. Notwithstanding any provision of this Contract to the contrary, the State, in its discretion, need not provide notice or a cure period and may immediately terminate this Contract in whole or in part or institute any other remedy in the Contract in order to protect the public interest of the State.

23. NOTICES AND REPRESENTATIVES

Each individual identified below shall be the principal representative of the designating Party. All notices required or permitted to be given under this Contract shall be in writing, and shall be delivered **(i)** by hand with receipt required, **(ii)** by certified or registered mail to such Party's principal representative at the address set forth below or **(iii)** as an email with read receipt requested to the principal representative at the email address, if any, set forth below. If a Party delivers a notice to another through email and the email is undeliverable, then, unless the Party has been provided with an alternate email contact, the Party delivering the notice shall deliver the notice by hand with receipt required or by certified or registered mail to such Party's principal representative at the address set forth below. Either Party may change its principal representative or principal representative contact information by notice submitted in accordance with this §23 without a formal amendment to this Contract.
