Mr. Nuckolls introduced the following resolution and moved its adoption:

WHEREAS AN emergency exists with reference to the construction of the north abutment of the Fourth St. viaduct, and, in the opinion of the Directors it is not to the best interest of the District to wait for the advertising and call for bids, and

WHEREAS, the Salle Construction Company have submitted a proposition to do said work and have the same completed prior to January 1, 1925, on items as follows:

Dry Excavation	75¢
Wet Excavation	\$5.35
Concrete	11.50
Placing steel	1½¢

and the Assistant Chief Engineer Barton M. Jones reports that said sum involves less than \$4,000. and that in his opinion the work could not be constructed by the District on force account for less money, and that the price submitted by the Salle Construction Co. is fair and reasonable and in his opinion approximates the price that would be received upon open bidding,

NOW, THEREFORE, BE IT RESOLVED that contract for said work be known as Contract No. 24c, be let to the Salle Construction Company and the officers of the District are hereby authorized to proceed with the making of said contract and the approval of the bond accordingly.

Mr. Lee seconded the motion which resulted in the following vote:

Ayes: Nuckolls; Lee. Nays: none.

Thereupon the Chairman declared the motion passed.
